<http://www.wrd.org/business/water-replenishment-business.php>

Below are responses to questions that have been asked during this Request for Proposals (RFP) process. This question and response table will be updated periodically with other questions that may be asked during this RFP process. The deadline for questions regarding this RFP will be on Thursday, May 18, 2017 at 3:00PM PDT.

	QUESTION	RESPONSE
1.	Is there a more definitive construction schedule for the four well sites?	All 4 of the wellhead treatment projects are in staggered stages of design completion; 2 of the projects are at 90% Design Complete, 1 at 60%, and the last one at 30%.
2.	Can more than one well site be worked on at once?	Yes, as mentioned above 2 of the projects are at 90% and will be ready soon for the award CM firms constructability review.
3.	Will there be different contractor's for each well site or just one?	Yes different, each project will be bid separately.
4.	What is the expected construction value of each well site?	Each project's estimated construction value is \$1 million – \$1.5 million
